

Question and Answers for JN: 86719

Q: The RFP states on page 2 the following:

“The maximum allowable pages for your proposal shall follow the guidelines detailed in Part II of the Vendor Selection Guidelines (December 2005) for \$25,000-\$100,000.

For clarification purposes, the following shall apply to the information required in proposals:

- In the “Understanding of Service and Innovations” section, innovations will be scored and are required in this proposal.
- A quality assurance/quality control plan will be scored and is required in this proposal.
- A safety program will not be scored and is not required in this proposal.”

Form 5100B for Tier I proposals states that a quality assurance/quality control plan is not required as part of the official RFP. Is a QA/QC plan required?

A: A quality assurance/quality control plan is not required as part of the official RFP.

RFP Revisions for JN 86719 C

Color copies will be accepted. On page 1 of the RFP, **delete** the following two sentences reading:

“The Proposals must be in black and white only. Color copies will not be accepted.”

Replace the above paragraph on page 2 of the RFP with the following paragraph reading:

“The maximum allowable pages for the proposal are limited to the selected Tier shown on MDOT Form 5100B, which is posted with this RFP. Page limits apply to the entire proposal. The number of pages per section is the decision of the creator of the proposal. Include in proposal only those items that are checked by the MDOT project manager on form 5100B.”
